

SAVE EXPENSE REPORTS FOR SUBMITTING LATER

Now available in 2018.2

The Expense 'Save for Later' feature will now be supported for custom and standard approvals. There will also be a new Expenses "Open" Approval State available for Custom Approvals. From now on, you can use the Save Only option in your Expense Report entries and Approval Workflows can be updated to include new features. You're all set for a better performance!

Watch the video for a Sneak Peek into the 2018.2 Release.
